

Taillights Assembly for Can-Am Ryker

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

These Taillights are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

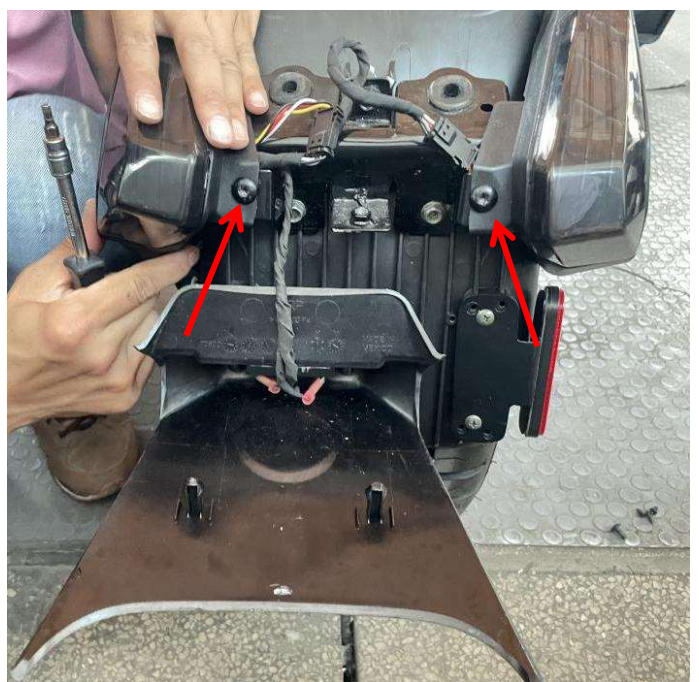

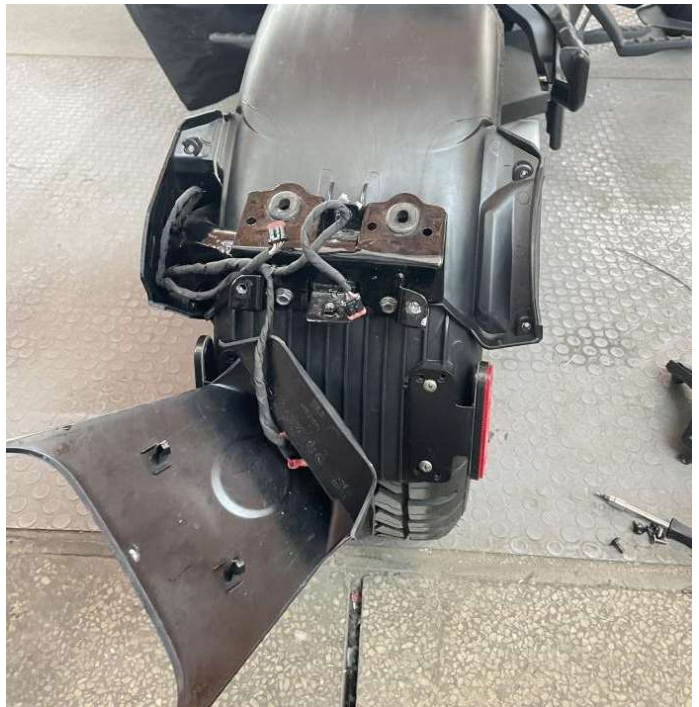

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Product picture.

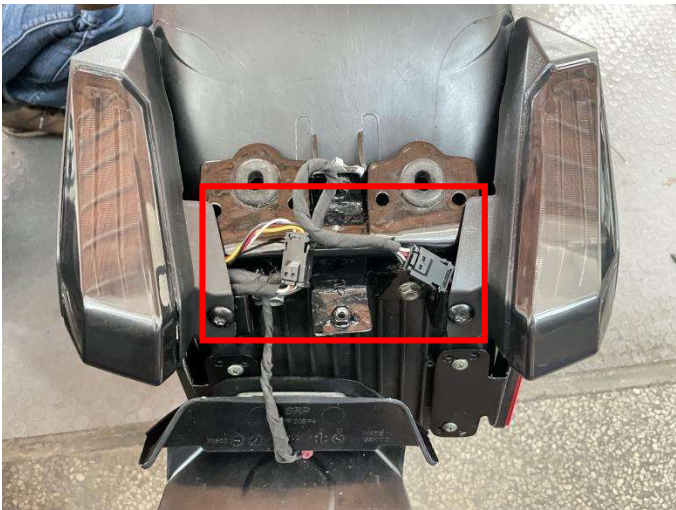

2. First remove the license plate bracket of the original vehicle, remove the original taillights, install the new taillights on the left and right sides, and then fix the taillight with 3 screws respectively. As shown in figure:
